HOSTS VAL AND MURRAY COFFEY

President's Welcome

On behalf of the Feilding Surfcasting Club and the NZACA Executive, I would like to invite you all to the 2012 NZACA Okuma Nationals.

Hosted by Feilding, New Zealand's friendliest small town, based at mighty Manfeild in the Manawatu, the 2012 Nationals will hopefully be one that all competitors and support crew will never forget. The 2012 Nationals boast boundaries and fish species that will provide a challenge and potentially great rewards for anglers of all ages and skill levels. The brave decision by the host club and NZACA Exec to have boundaries that minimize potential adverse effects of the weather for fishing, and hire dry casting facilities that are as good as anywhere in the country, should provide a good level playing field for all.

As with any voluntary event of this magnitude there have been many who have sacrificed endless hours to make this an enjoyable experience for all and I would like to personally thank them for this effort. The same must be said of our many great sponsors who have contributed so kindly. I would hope that all NZACA members will consider our sponsors when making their next purchasing decision.

Best of luck and I look forward to seeing you all in Feilding late March 2012.

Brent Rolston
NZACA President & Event Organizer

A word from our Principal Sponsor

Following the outstanding success of last seasons "Baby" campaign which we briefly described to you in this bulletin last year, we are happy to say that the brand of Okuma reels and rods has again expanded and enjoyed awesome growth this past year, thanks to you out there who have supported us.

It seems as though this campaign (Kiwis are born to fish) really touched a lot of people's hearts, including the thieves around the place, as we lost way too many skins from our billboards. The police department commented that this type of theft hadn't been reported for a long time so if you see them on your mate's wall or in his garage give us a call as we would love to see where they ended up!!!

This year will see the same theme run on a reduced scale and also incorporate more technical features of the reels etc, especially the new Andros 5-2 speed that just won "Best of Reel" at the EFTTEX show in Europe. We have just received our first shipment as the production facility has been hard pressed to keep up with the demand from the U.S.A and Europe.

Another new addition this season will be the high speed Trio, TR80S, 6.2 to 1, dual drag and the unique graphite and aluminium crossover hybrid body, making this one of the lightest large capacity reels with game fish fighting abilities around.

We have again put a lot of effort into New Zealand's leading fishing catalogue and we have produced this with the consumer in mind, so if you want a copy feel free to drop into your local retailer and request one or simply write or give us a call here at C.D.

Thanks again for allowing us to be a part of your active organisation and also for the support you all give us. Good luck out there this coming season and remember it's also about fishing for tomorrow.

Wishing I was fishing,
Marty Johanson.
Managing Director.

What's happening - when, where & at what time!

All casting events, flag raising, registration, AGM, briefing, weigh-in and prize-giving will be held at the Manfeild Events Complex, South Street entrance, the casting events will be held in front of the grandstand at Manfeild, Feilding.

Wednesday 28th March

9.00 am	Flag raising and Distance Casting
2.30 pm	Registration Opens
4.30 pm	Annual General Meeting
6.00 pm	Briefing

Friday 30th March

5.00 am	Boats/Kayaks start
3.00 pm	All fishing finishes
4-6.00pm	Compulsory weigh station open

Thursday 29th March

5.00 am	All fishing starts
8.00 pm	Boats/Kayaks stop

Saturday 31st March

9.00 am	Accuracy Casting
4.00 pm	Prize-giving starts
6.00 pm	Dinner
7.30-Late	Entertainment

Bar open 2.30pm on 28th with bait, berley and salt ice for sale - preorders taken

Action Bait & Tackle order form over page (page 4)

BBQ & Bar at weigh-in - NO B.Y.O

BBQ @ Casting both days

ARE YOU READING THIS BOOKLET AND ENJOY FISHING?

Do you belong to a Fishing Club?

If not - why not?

Fishing clubs provide a place of sharing and learning, a place of comradeship and camaraderie. Learn from others experiences and find great places to fish.

Is your club part of a National Organisation?

If not - why not?

National Parent Bodies such as the NZACA enable fishers to do things that as individuals or as clubs they cannot do - such as Nationals like these ones. Also showing a united front in maintaining fishing rights, standing up to the commercial pressures and speaking with a united voice with Government Departments.

If want to know more - contact:-

NZACA Secretary - Graeme Dawber

P O Box 12 042, Rotorua 3045

nzaca@xtra.co.nz

(07) 357 4446

(027) 288 2790

Fishing Rules

Entries must be to National Secretary by 1 March 2012. The maximum bag limits and minimum sizes for the qualifying species for both shore and boat fishing are as shown:-

Boat

SPECIES	Maximum Bag	Minimum Size	Species Points
Tuna	1	40cm	5
Hapuka	1	-	5
Bluenose	1	-	5
Trumpeter	1	45cm	7
Kahawai	3	45cm	5
Kingfish	1	78cm	7
Snapper	7	35cm	8
Terakihi	5	35cm	15
Trevally	2	40cm	8
Blue Cod	5	35cm	15
Blue Moki	1	45cm	8
Gurnard	5	33cm	15

Shore

SPECIES	Maximum Bag	Minimum Size	Species Points
Gurnard	8	33 cm	15
Kahawai	3	45 cm	5
Kingfish	1	78 cm	7
Snapper	8	35 cm	8
Terakihi	2	32 cm	15
Trevally	1	40 cm	8
Blue Cod	4	35 cm	15
Blue Moki	6	45 cm	7

Competition bag limit is total for both days.

Championship points are scored on the basis of the following formula:-

One point, plus the fish weight in kilograms multiplied by the species factor (1+(weight * species factor)).

No fish under 500g will qualify regardless of its length.

Fish should be presented in a clean condition. Only the fish you intend to weigh should be brought to the weigh station. If you sort fish in front of the Weigh-master, you may be asked to go to the back of the line.

All fish must be presented at the weigh-in at the designated time.

Fish that are not eligible for points can be presented at the weigh-in for Record or Award purposes. These should be presented to the Weigh-master after competition fish have been weighed in.

There will be no unwanted bait, fish or fish carcasses disposal facilities available at these National Championships. Competitors will need to make their own arrangements but are urged to consider principles of waste management and not by any action bring disrepute on the event or the Association.

If, in the opinion of the organizing committee, competitors have breached the spirit of the competition, then the committee reserves the right to exclude the competitor(s). The committee's decision will be final.

Any failure to observe the stated fishing times will result in disqualification. All entrants, boat owners and spectators participate at their own risk. The organizers, promoters or any other party connected with the event accept no responsibility in any respect to personal injury, loss or damage to property regardless of the cause.

In the Central Fisheries Management area, there is a combined maximum daily bag limited of 20 fin-fish, plus 10 snapper and a combined bag limit of 5 Hapuka/Bass and Kingfish with no more than 3 Kingfish.

Ministry of Fisheries regulations must be observed. Failure to observe these regulations will result in disqualification from the competition.

Please be aware of new or different by-laws that maybe in place in this area;

Be aware that you are in someone else's backyard.

NOTE: Please refer to the NZACA Members Manual & Handbook for competition rules that apply to the NZACA National Fishing Championships. Please also refer to the detailed rules in the NZACA Members Manual & Handbook concerning equipment and terminal tackle.

The rules included in this handbook are a summary and have been amended as required for the 2012 competition. Note that these amended rules supersede any rules as written in the NZACA Members Manual & Handbook and may differ from IGFA rules.

Manawatu
Hunting & Fishing
NEW ZEALAND

All fishing competitors are to fish within the following boundaries:
(As shown below)

From the southern side of the Patea river-mouth, to Blackhead Point at the northern end of Porangahau Beach, and all areas south within the North Island.

Information on fishing spots within the boundary

South Beach (West Coast)

South Beach is about a 45 minute drive north-west from Feilding and stretches about 15kms between the Wanganui and the Whangaehu Rivers. A relatively easy beach to drive on (4wd is required at times), the beach is relatively flat and sandy towards the Wanganui end and little more steep towards the Whangaehu end. Access is via Airport Road just south of the Wanganui River bridge. Best fishing is around the change of light, this time of the day the tide doesn't generally matter too much. Low tide to incoming can be very productive.

The beach is full of channels and gutters, wading and long casts do offer more opportunities but big Snapper can be caught very close to shore with short casts in deep channels and holes.

Best baits are Bonito, Pilchards, Fresh Kahawai, Small Crabs, Shellfish and live baits. Most likely catches are Kahawai, Snapper, Gurnard, with the odd Trevally and Kingfish. Any wind from west or south-west will make this a harder beach to fish. Northerly to easterly winds are ideal.

Wanganui Boat Fishing (West Coast)

Boats can be launched from Wharf Street Ramp, Wanganui, with plenty of parking between the Wanganui-Manawatu Sea Fishing Club and the Coast Guard Headquarters. Care must be taken crossing the Wanganui River Bar. Boat fishing offers many opportunities with both sand and reef available.

Best baits are firm baits and ideally fresh Squid, Kahawai, Trevally all work great. Live baits will be taken by Kingfish and Big Snapper. Soft baits and jigs work well on all species.

Species that can be caught off Wanganui are Snapper, Gurnard, Trevally, Blue Cod, Tarakihi, Kahawai, Kingfish and Grouper.

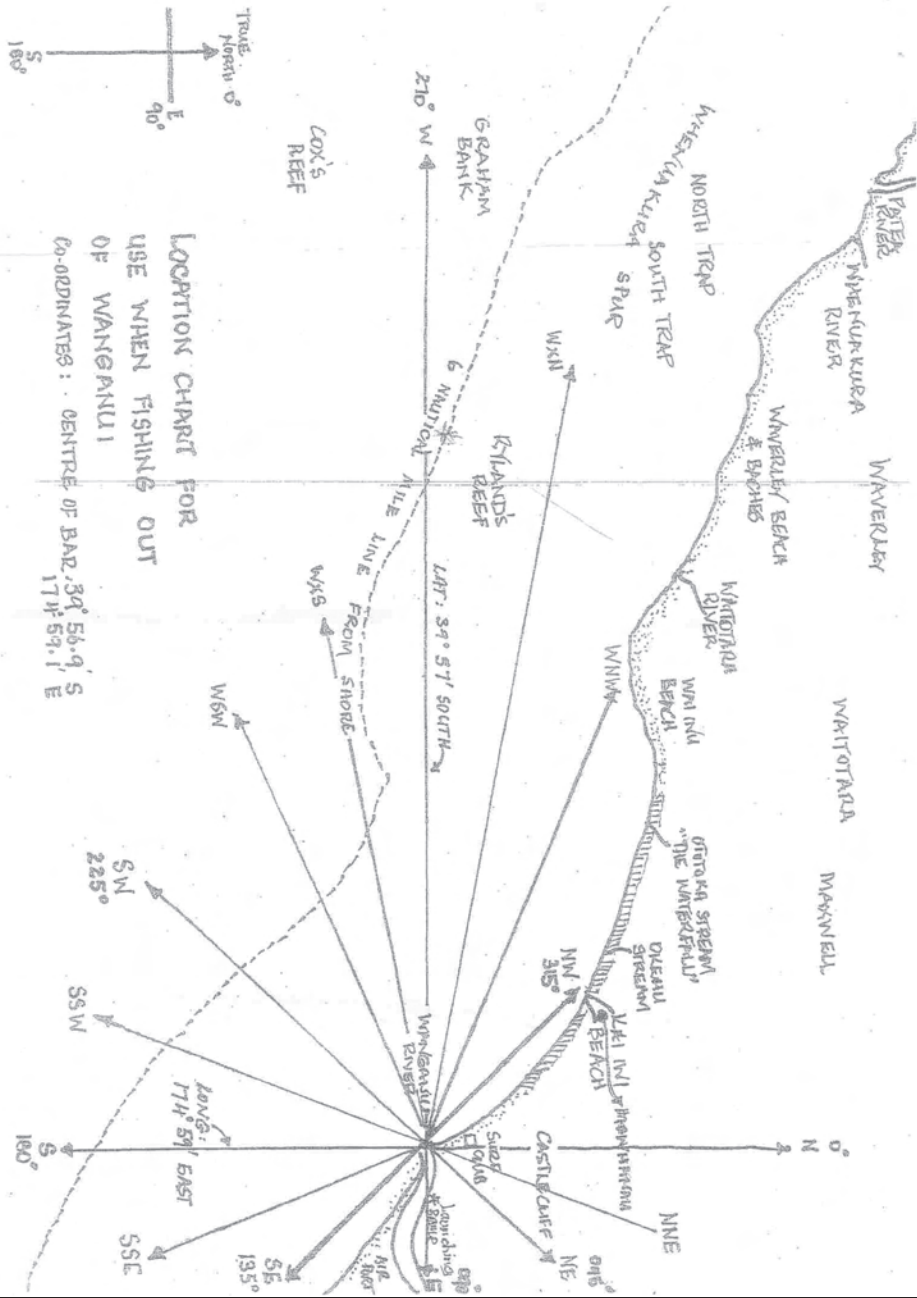

REMEMBER:-

 LOW TIDES 9.17AM
 9.34PM

Santoft Beach (West Coast)

Santoft is the "Local" beach for the Feilding Surfcasting Club and covers from the northern side of the Rangitikei River up to Turakina, a distance of 16kms. Access is by Scotts Ferry and Turakina for 4wd vehicles and Fusilier Road through the Santoft Forest where you can walk over the sand dunes or take a 4wd motorbike. Santoft is all sand and if the sea conditions allow when the Nationals are on, there will be many Snapper up to 12kgs, a few Gurnard and Kahawai to be caught along its entire length.

Foxton Beach (West Coast)

Foxton Beach is about a 40 minute drive south from Feilding and stretches about 20kms between the Manawatu and the Rangitikei Rivers. An easy beach to drive on, sandy and flat. Best fishing from end of low through the incoming tide. Shallow along most of beach and requires some wading and long casts. Best baits are Salted Bonito and Pilchards. Most likely catches are Kahawai, Snapper, Sting Rays, Terakihi, and at night Gurnard. Any wind from north or south-west will make this a harder beach to fish.

For boat fishing: Boats can be launched from either the beach itself or from the Manawatu Boating Club ramp (\$10 ramp fee).

Care must be taken crossing the Manawatu River Bar. Similar baits used and fish catches to surfcasting.

Waitarere Beach (West Coast)

Waitarere Beach is between Levin and Foxton and is well sign posted off State Highway 1. An easy beach to drive at all but the highest of tides. Watch for worm holes at low tide. Beach extends approximately 6kms to the north and 5kms to the south. This is a shallow beach so wading is required. Best fished in calm conditions, at low tide and low light. Main fish caught is Kahawai with the odd Snapper if conditions allow. Small boats can be launched off the beach. Boat fishing is more productive than land based. Best baits are half pilchard with long cast.

Waikane to Otaki River Mouth (including Te Horo Beach)

Sandy to gravel beaches, with steep drop offs. Species to catch are Kahawai, Rays, Snapper, Kingfish, Trevally, Rig and Gurnard. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel, Kahawai.

Fishermans Table to Waikanae

Very shallow beaches. Species to catch are Kahawai, Rays, Snapper, Kingfish, Trevally, Rig and Gurnard. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel and Kahawai.

Pukerua Bay

Walking access from Pimmerton or Pukerua Bay. Numerous bays, rocky outcrops (care must be taken). Species to catch are Kahawai, Rays, Blue cod, Snapper, Kingfish, Trevally, Terakihi and Shark. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel and Kahawai.

Titahi Bay

Numerous rocky outcrops, a few beaches, walking access around the coastline. Species to catch are Snapper, Kingfish, Trevally, Terakihi and Shark. Bait to use is Crab, Cray, Mussel and Kahawai.

Boom Rock (2hr walk north of Makara beach)

Other bays are fishable in-between, very rocky. Walking access to Boom Rock only. Species to catch are Kahawai, Rays, Blue Cod, Snapper, Kingfish, Trevally, Terakihi and Shark. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel and Kahawai.

Makara Area

Vehicle access to Makara beach. Species to catch are Kahawai, Rays, Moki, Blue Cod, Snapper, Kingfish, Trevally and Terakihi. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel and Kahawai.

Red Rocks, Long Beach, Windy Bay and Bach Beach to Cave Bay

Access via 4 x 4, quad, trail bike, walking anywhere from half an hour to 2hrs walk. Species to catch are Kahawai, Rays, Moki, Blue Cod, Gurnard, Trevally and Terakihi. Bait to use is Pilchard, Skippy, Paddle Crab, Cray, Mussel and Kahawai.

Breaker Bay to Houghton Bay

Limited fishing region, rocks, and Lyall Bay breakwater. Species to catch are Kahawai, Rays, Moki, Blue cod and Gurnard. Bait to use is Pilchard, Skippy, Cray, Kahawai and Paddle Crab.

Seatoun Beach to Breaker Bay

Shallow beaches, with the odd rocky outcrop. Species to catch are Kahawai, Snapper, Kingfish, Trevally, Tarakihi, Rays, Elephant Fish, Moki, Blue cod and many other species. Bait to use is Pilchard, Skippy, Cray, Kahawai and Paddle Crab.

Point Haswell, Mahanga Bay to Point Gordon

Rocky outcrops, small bays. Species to catch are Kahawai, Snapper, Kingfish, Trevally, Tarakihi, Rays, Elephant Fish and many other species. Bait to use is Pilchard, Skippy, Cray, Kahawai and Paddle Crab.

Point Jerningham round to Point Haswell

Rocky outcrops, small bays including Miramar Wharf. Species to catch are Kahawai, Snapper, Kingfish, Trevally, Terakihi, Rays, Elephant Fish and many other species. Bait to use is Pilchard, Skippy, Cray, Kahawai and Paddle Crab.

Oriental Wall

Anywhere along this stretch up to Point Jerningham off the wall. Species to catch are Kahawai, Snapper, Kingfish, Trevally, Rays, Rig, Elephant Fish and many other species. Bait to use is Pilchard, Skippy, Cray, Kahawai, Paddle Crab.

Motorway (Hutt Valley to Wellington)

Limited parking and access very limited. Species to catch are Kahawai, Snapper, Gurnard, Tarakihi, Rays and Congers. Bait to use is Pilchard, Skippy, Cray and Kahawai.

Petone to Eastbourne side of the harbor

Extensive bays, rocky outcrops and easily accessible. Species to catch are Kahawai, Snapper, Gurnard, Tarakihi, Blue Cod, Rays and Congers. Bait to use is Pilchard, Skippy, Cray and Kahawai.

Fitzroy & Pencarrow Bays (P.C)

Walking and pushbike access only from Eastbourne Gate. There are other bays in this area, some can be rocky and full of weed but fishing can be exceptional. Species to catch are Moki, Trevally, Kahawai, Blue Cod, Tarakihi, Rays, Congers and Rig.

Wainuiomata Beach

Access at end of road. Open beach with weed and rocks at each end. Species to catch are Kahawai, Moki and Rig. Bait to use Pilchard, Skippy, Paddle Crab, Cray and Mussel.

Palliser Bay (South Coast)

Palliser Bay is made up of two main beaches; both are about 2 hours drive from Feilding. The first, on the eastern side of Lake Onoke is known as Lake Ferry, which is a pebble beach. Fish anywhere on this beach - good Kahawai can be caught here. The Feilding Surfcasting Club record for Trevally of 3.5kg came from here, and one of our club members won a local competition with a Snapper caught during daylight hours. Ocean Beach is on the other side of Lake Onoke and is also a pebble beach. Fishing anywhere here is good for Kahawai and Gurnard and a number of the Feilding Surfcasting Clubs' Moki came from this area.

Southeast Wairarapa Beaches (beaches from Whangamona to Stone Wall Creek)

From Feilding to Whangamoana is approximately a 2 hour 15 minute drive.

Between Whangamoana Beach and the Stone Wall Creek, there is 45kms of coast line, a mixture of sandy and stony beaches and rock outcrops. Most beaches and rocky outcrops are easily accessible by car, and other areas, a 4wd is recommended. There are no restrictions to beach access, camping or driving on beaches, except for some small parcels of Maori land, where camping is not permitted, but these are sign posted. From the beach, this area is very well known for it's Moki, Kahawai and Blue Cod fishing, but one can expect anything from Kingfish through to the occasional Snapper, Terakihi, the odd Crayfish and very occasional Groper, Sea-run Salmon and even Albacore Tuna.

Kayakers and boaties can expect to catch Blue Cod, Moki, Terakihi, Kingfish, Kahawai, Groper, Trumpeter, Albacore Tuna, Bluenose, Gurnard and occasional Snapper. Launching facilities are very limited to trailer boats, but kayakers basically have easy launching from the whole coast line.

Because of the nature of this coastline, the weather can change rapidly, so a reliable and updated forecast is highly recommended before going to sea.

A southerly swell will put a damper on beach fishing, but if a gale of northerly or northwester is forecast then generally even though uncomfortable on the beach, the sea should be ideal for beach fishing.

White Rock (East Coast)

White Rock is 2 ½ hours drive from Feilding, situated out from Martinborough. About three quarters of an hours drive is on a metal road. The beach is very isolated. There is a car park with a long drop toilet. You can climb onto rocks here and fish; I have not done this but have seen others do it. At the car park you can climb under a fence to fish on the northern side of White Rock. You don't have to walk far for those that are not into walking. If you don't stop at the car park, you can keep driving until the end of the road, southern end of White Rock, then drive down the track to the beach. The beach is very soft and would not advise driving on it. It can also get very windy if putting up a tent.

The species of fish caught are Gurnard, Kahawai, Moki. Baits being used were Pillies, Mussel, and Bonito.

Castlepoint (East Coast)

From Feilding to Castlepoint is 176kms and will take approximately 2 ¼ hours via Masterton. When you get to Castlepoint, you will see the lighthouse which is on the reef. There is good fishing from the reef with a number of species to be caught. It is mostly sandy bottom but there is foul. Be **Very Careful** as there have been a lot of injuries and deaths at this reef.

The most common species caught being Kahawai and Gurnard with the occasional Kingfish and Snapper.

Travelling north from Whakataki to Mataikona there is a mixture of sandy beaches, rocky platforms and rocky jungles.

Herbertville (East Coast)

Two and a half hours drive from Feilding. An 8km long sandy beach with rocks at each end.

Species caught: Snapper, Moki, Gurnard, big kahawai. Bait: Pillie, Bonito and mussel.

Accommodation and meals are available at the motorcamp and pub/store.

Very exposed to Southerly wind but clean water if sea conditions favourable.

Porangahau Beach (East Coast)

Porangahau Beach is approximately 50km from Waipukurau and around 2 hrs drive from Feilding. It has 16km of drivable beach and is known for big Kahawai and big Gurnard. The two biggest recorded landbased Gurnard caught on 6kg line in NZ were caught at Porangahau. A 1.56kg caught in 2002 by Phil Pearpoint and a 1.58kg caught a bit later in the same year by Gary Kemsley. Accommodation is available in the form of motels and campground.

Best Baits: Fresh Mullet, Squid and Kahawai. Best winds are west or south-west.

NZACA NATIONAL FISHING CHAMPIONSHIPS

COMPETITION RULES

FISHING:

- 1.1.1 Each competitor is limited to two rods or hand-lines with a maximum of two hooks, per rig, one of which may be a keeper.
- 1.1.2 Competitors may use any brand or breaking strain of line, but encouraged to use a line as light as practical.
- 1.2 They must be present at the official weighing of their catch.
- 1.3 Fish must be caught within the competition boundaries.
- 1.4 Fish must be brought to the gaff or net unaided. (see clause 2.5)
- 1.5.1 Fish caught will be eligible for weigh-in only if they exceed 500gms. The minimum length for Snapper is 35cm and for Kahawai it is 45cm. (see clause 1.5.2)
- 1.5.2 Host clubs have the authority to impose additional restrictions and limits with regard to minimum length/width, weight or bag limits for nominated species or ban certain species altogether due to local conditions and circumstances providing such has been ratified by the Executive prior to the Nationals and all competitors are aware of such at the time of entering.
- 1.6 Marine regulations must be complied with by all competitors.
- 1.7 Any angler presenting for weigh-in a fish under the legal length specified by Government Fishing Regulations or breaching the Government Regulations for fish numbers shall be disqualified from that year's competition.
- 1.8 Any fish caught in an unsportsmanlike manner may be disallowed by the competition committee.
- 1.9 Championship points are scored on the basis of the following formula: one point plus the fish weight (kg) multiplied by the species factor. The species factor may be varied according to the competition, locality or other variables. Specific detail is available from the National Secretary.
- 1.10 All competitors must attend the briefing so ensuring all competitors are aware of instructions given by host club.
- 1.11 Shore fishing areas to be such that all competitors have equal chance of reaching desirable fishing areas within the times allowed and so those with beach accessible vehicles do not have an unfair advantage. The use of boats, floatation devices, special equipment, aircraft, etc, to reach shore fishing areas is not permitted.
- 1.12 That where there are prizes, in addition to National titles and trophies, that these are not to overshadow or take precedence over the main achievement rewards.

COMPETITORS:

- 2.1 Each club will be entitled to enter as many competitors as they wish in the shore, boat, kayak and casting sections. These can include Juniors (plus Midgets in Casting), Men's, Ladies, Veteran Men's & Ladies and Golden Oldie Men's & Ladies. The Juniors are subject to Rules 3.1 to 3.4. Competitors may be able to fish both boat (and/or kayak) & shore sections at discretion of the host club but two (or three) entry fees are to be paid. All competitors must be financial members of the NZACA and be a representative of one club only.
- 2.2 Competition officials may enter the Championships as competitors, but may not officiate at the weighing of their own catch.
- 2.3 The Competition Committee will rule on complaints or disputes and their decision will be final as per NZACA Manual & Handbook.

- 2.4 Disabled or handicapped anglers can apply for dispensation from certain rules but this must be applied for prior to the event.
- 2.5 Tags can be given out with Registration Packs but must be returned by each competing angler before or during weigh-in.
- 2.6 Non-competing or non-team members are not to provide support by way of berleying, etc. Such activities are to be the responsibility of the actual competitor.

JUNIOR DIVISION:

- 3.1 Each year the Association will, in conjunction with the host club, determine whether or not the Junior Championships will be held in the Shore and/or Boat/Kayak sections.
- 3.2 Juniors must be at least 9 years or age and under the age of 17 years on the 1st of January of the current financial year. The minimum age for a Junior in the Boat Section shall be 12 years. Juniors may compete either as Seniors or as Juniors but not as both.
- 3.3 A chaperone must be nominated (and recorded in writing) for each competing Junior at Registration. Failure to do so will disqualify the Junior. The chaperone in the Boat/Kayak Section must be a competitor from the Junior's own club. In the Shore Section, all Juniors must be accompanied at all times by a chaperone nominated by their club. Chaperones can be fishers.
- 3.4 The chaperone must not cast or assist the junior angler in any way except as provided in NZACA Fishing Rules.

KAYAK

The term Kayak means any hand-propelled craft - cannot be motorized or use sails.

CASTING COMPETITION:

A casting competition is to be held in conjunction with the fishing competition at the Nationals. Both distance and accuracy events are held in Men's, Ladies, Veterans, Golden Oldies, Juniors, and Midget divisions where numbers are sufficient. There is to be an overall "Open Competition" for an award to which all competitors are eligible.

Among the many fine trophies and prizes awarded in the various sections of the fishing and casting competition at the Nationals are:-

Veterans Trophy: for heaviest bag of scale fish by a Veteran member

McFetridge Trophy: for heaviest bag of scale fish in shore competition

Auckland Ladies Trophy: for heaviest bag of scale fish in boat (not kayak) competition

Opotiki Trophy: for top Veteran Lady in shore competition

Tom Riri Memorial Trophy: for top shore points for Golden Oldies

Junior Lady Largest Fish: for heaviest fish caught by a Junior Lady in shore, boat or kayak sections

Angra Trophy: for heaviest fish caught by Junior Boy in shore, boat or kayak sections

Feilding Surfcasting Club Cup: for winner of shore ladies sub-section

NZ Fishing News Top Lady Shore: top scoring lady in overall shore competition

Wiseman Cup - All-round Surfcasting Champion: for highest aggregate points from both in shore fishing and casting

Viking Trophy: for heaviest bag from a kayak

Alvey International Award: highest scoring overseas competitor

Plus a number of fine trophies awarded in the casting events.

Top Club(s):

There are four Top Club categories; Shore, Boat, Kayak and Casting. The winning club in each category will be decided by combining the four top scoring competitors' points no matter what division they competed in. An overall Top Club Trophy will be presented to a club with highest aggregate points of top four competitors in shore plus boat or kayak plus casting.

Not Awarded in 2011

Gladding Cup	Heaviest Trout caught by fly from shore
Kilwell Trophy	Heaviest Trout caught trolling, harling or spinning
Rapala Cup	Most meritorious salt water catch, spinning
Tisdall Trophy	6 heaviest Trout caught from shore.

The first know National Championships held by the Association was back in 1958 and held at Whangaroa and Ninety Mile Beach with more than 220 anglers representing some 22 clubs taking part. An Australian team was also there. There was even an underwater section and a hand-line category, in addition to the normal boat, shore and rock fishing sections. The casting competitions were held at Napier hosted by the Pania Club with assistance from the Rotorua Fishing & Casting Club.

From our records, former and more recent hosts clubs have been:-

- 1955 Weight Casting Tournament - North Taranaki Surfcasting Club
- 1958 Whangaroa & Ninety Mile Beach by Association
- 1964 Marlborough Angling & Surfcasting Club
- 1965 NZ Surf, Fly & Plug Championships - Rotorua Fishing & Casting Club
- 1967 Thames Angling Club
- 1967 NZ Surf, Fly & Plug Championships - Rotorua Fishing & Casting Club
- 1979 Whangarei Line & Light Rod Fishing Club
- 1980 North Shore Surfcasting Club
- 1981 Kamo Fishing Club
- 1982 Eastern Bay Combined Anglers Club
- 1983 Gisborne Surfcasting Club
- 1984 Wellington Surfcasting & Angling Club
- 1985 Rising Sun Fishing Club
- 1986 Ninety Mile Beach Surfcasting Club
- 1987 Rotorua Fishing & Casting Club
- 1988 Wellington Surfcasting & Angling Club
- 1990 Eastern Bay Combined Anglers Club
- 1991 New Plymouth Surfcasting Club
- 1992 Kamo Club Fishing Section
- 1993 Gisborne Surfcasters
- 1994 Hawera Surfcasting & Angling Club
- 1995 Ohinemuri Fishing Club
- 1996 Opotiki Surf Fishing Club
- 1997 Whangarei Line & Light Rod Fishing Club
- 1998 Bethells Casters & Angling Club
- 1999 Pania Surfcasting Club
- 2000 Ninety Mile Beach Surfcasting Club
- 2001 Opotiki Surf Fishing Club
- 2002 New Plymouth Surfcasting Club

KIWI FOR FISHING.

DO YOU WANT A FISHING REEL

That...Does Not Break Down...(even in saltwater & sand) Gives Unbelievable Cranking Power...(To easily land large fish in a boat or on a beach) Gives Long Accurate Casts...(Very easy to accomplish) Allows You to Feel Every Bite...(Direct contact through handles and line) Low Maintenance & Large Line Capacities...

& Bruce Basher (NZ Angler & Writer) would like the opportunity to present the facts on why you should be fishing with an Alvey Reel. Send us your name & address and we will send you an 80 page colour catalogue and 80 minute DVD on how to fish with an Alvey Reel and a recommendation from Bruce Basher explaining why he uses Alvey.
